

January 2020

The JetHawks Journal

The Official Newsletter of the Flight Crew Booster Club

Words From the Chair

Chairman Notes

Most of you have heard about the MLB proposal to contract Milb by 42 teams, the JetHawks being one of the 42. This MLB proposal is part of the negotiations surrounding extending the Player Development Agreement between MLB and Milb and has become quite contentious. At this point the average Milb fan is left wondering what will happen to Milb for the 2021 season and beyond. The 2020 season will go on with all 160 Milb teams intact. Our mission of supporting baseball in the AV has not changed for the time being. We will continue to support the JetHawks and players and hope for the best which would be for MLB to drop their effort to reduce Milb by 42 teams. As booster members we cannot take our eye off the ball and must be ready to support the players for the 2020 season.

Congratulations to Ross Way and Terry Lawton for winning two tickets each to the Annual JetHawks Foundation Hot Stove Banquet at the December GM meeting. At our January General Membership meeting we will raffle the remaining two sets of two tickets. There is no cost to you the member but to be eligible to win the tickets you must be present at the 16 January meeting at the Texas Cattle Company.

The booster club recently purchased 5 replacement chairs for the clubhouse at a cost of \$1500. If you would like to help offset the chair cost you can become a "chair sponsor" for \$50. A name plate will be placed on the back of the chair recognizing you as a chair sponsor for that chair. Becoming a chair sponsor is strictly voluntary.

Keeping our membership informed is one of our goals. We use our web site, Face Book, Instagram, and this newsletter to help keep you informed. If you have news items of interest for the membership please contact Judy Hopps and she will decide the appropriate avenue to get the information out to the membership. If you have a newsletter item please contact Robin Andersen. Remember the Flight Crew Booster Club is a much stronger organization when the membership is involved and informed about our mission. We have a number of committees that can use your talents please consider working on a committee(s) of your choice.

Recycle

Recycling will continue during the off season, if you have CRV recycle materials (milk containers and other general plastic while recyclable the return is not economically feasible – for a 30 gallon bag we receive 3 cents) you can bring your donations to a GM meeting or call me (661) 317-5590 for pick up.

2020 Membership Renewal

Membership Renewal Invoices for 2020 have been sent, 2020 shirts and pins are available upon renewal. If you are a Lifetime member or joined for the first time after mid-June you can pick up you 2020 tee shirt at any time. If you have membership questions please contact Curt at clevind18@msn.com.

For the 2021 FCBC year (starts in September 2020) you can order your club tee shirt in our original color Purple rather than the now standard Navy Blue. I do need to know if you desire to get your shirt in Purple and the style (universal or women's), size, and number of shirts. Extra shirts are \$10 each. I originally planned to order in early February due to the uncertainty of the 2021 season have delayed submitting an order so you still have time to let me know if you want your shirt in Purple..

Have you visited the Booster Club website or the FaceBook page lately?

www.jethawksboosterclub.com

Where do they go from here???
